BOGHOSIAN BACK IN ACTION AT 2007 POINT LEADER INVITATIONAL

Brian Boghosian enjoyed his ninth career win at the Point Leader Invitational at Auburn Lanes by shooting the highest game in match play in the last round. This is the second time he has won this prestigious event. His last title was the Point Leader Invitational in 2004. In the seven-year history of The Point Leader Invitational, four different champions have been crowned using the special format (Boghosian twice in 2004 & 2008, Forcier three times in 2002, 2003 & 2007, Lichstein in 2005 and Durand in 2006). Forty-eight bowl five games of qualifying, a cut is made to the top 24 scorers, those 24 bowl three more games, the top 6 after eight games advance to the match play finals, scores are dropped and the six bowl six round robin matches including a position round at the end. Twenty bonus pins are given for a win.

After five games of qualifying, Brian B was ninth with games of 213, 198, 199, 213 and 190 for 1013. On the obviously low scoring conditions, he was one of only fourteen people plus and 72 behind leader Dave Forcier. Brian used games of 247, 214 and 193 for 653 to easily move into the top six as the third seed with 1666. He wasn't the only one who made a big jump in the semi's. Steve Fiume shot the highest series with 673 to go from 21^{st} to 4^{th} and Mike Lichstein moved up the farthest throwing 654 including a 238 in game eight to grab the last spot with 1631 after qualifying 23rd. Only two of the top six after the first round advanced to match play.

The low scores made the finals exciting. Three bowlers, Boghosian, Lichstein and Forcier flip-flopped first, second and third place throughout the finals. After five games, there were only five 200+ games shot. Each time one of those three shot 200, they took the lead. After five grueling games, Forcier, who leading with 1042, went up against Lichstein with 1037. Right behind them was Boghosian with 1037. Boghosian started the game stringing strikes, which made all eyes turn to him. As Forcier struggled, by the middle of the game, the trophy was going to Boghosian or Lichstein. Lichstein finished first making amazing shots in the ninth and tenth to strike out and put himself back in the tournament; forcing Boghosian to throw an eight spare in the tenth. Brian came up big; ending with 246.

Brian B shot the highest block in the finals with 1190 and had the best match play record of 5-1. He defeated Mike Lichstein 196-185, Rob Mota 167-163, Steve Fiume 198-135, Dave Forcier 199-186, suffered a close loss to Scott Santos 184-188 then defeated Santos 246-211.

- -- In the finals, the top six averaged 184.1
- -- No bowlers went plus in the finals. There were 8 200+ games out of 36 finals games.
- -- Boghosian averaged 198.3 in the finals and 204.0 for the day

NEBA's seventh annual Point Leaders' tournament was open to forty-eight bowlers based upon points earned in 2007. Forty of the top forty-eight point leaders competed along with eight alternates. Twenty of this year's forty-eight bowlers didn't compete in last year's event. The cut to the top twenty-four was 968 for five games. It took 1631 for eight games to qualify for the six-man round robin match play finals. **Dave Forcier** was the tournament high qualifier with 1690 (games of 179, 242, 226, 256, 182, 218, 174, 213). No honor scores were thrown.
