Reverse Drop Brush 34'. Roller machines can drop brush at 40'. Like the goal of the famous album, this pattern is designed more like the way things used to be; back to the basics. Players should try different lines across the Abbey Road and watch out for traffic to find their best way to the scoring side. For some it may be on the corner while for others towards the middle, but like the last line the Beatles ever sang...in the end the score you take is equal to the score you make.
