

## Policies and Rule Changes for the Tournament on September 26-27, 2020 – HOF Silver Lanes

**The NEBA Board of Directors modified some of the standard tournament rules and NEBA policies out of respect to the COVID-19 pandemic and social distancing guidelines. Please read below for those changes and other updates.**

**TRAVEL RESTRICTIONS:** Those who live in or have visited states on the Connecticut travel advisory list for any length of time must quarantine for 14 days prior to bowling. Updated list of states can be found at <https://portal.ct.gov/Coronavirus/travel>

**HOW TO ENTER and GUARANTEE YOUR SPOT:** Make a reservation on BowlNEBA.com. Using the instructions in your confirmation email, pay for your spot within an hour with Cash App, Venmo. Spots are not guaranteed until paid. Priority registration for 2018, 2019 and 2020 NEBA members, Entries open Friday September 11 at 6:00PM. A waiver of liability must be signed during the reservation process. Payment of entry, waiver and spot will be confirmed within 24 hours by NEBA. Refunds can be given 48 hours in advance and at the discretion of the tournament director within 48 hours.

**35 MILE RADIUS RULE:** All bowlers who live in a 35 mile radius rule cannot bowl their first entry on the last squad at 12:30PM. This is a radius not the number of miles driven. This rule has been part of NEBA for over 50 years to deter people who live within an hour of the center to take spots on the last squad so those who have to travel further do not have to bowl the morning squad. The list of 2018, 2019 and 2020 members will indicate who is within this radius. Contact the NEBA staff to have this explained if you do not understand.

**MASKS & FACE COVERINGS:** Competitors must always wear a mask while in the building, including during competition. The mask must completely cover the nose and mouth. Competitors may lower their masks while on the approach but must return the mask to its proper position prior to walking off the approach preferably prior to leaving the foul line. Competitors who refuse to wear a mask will not be allowed entry into the building. Violations to the policy may result in disqualification from the tournament and/or suspension of membership.

**DAY OF TOURNAMENT (PANDEMIC CONSIDERATIONS):** Temperatures will be checked by center staff before walking into the building. Anyone 100.4 or higher will not be allowed in and will be refunded their entry. You will check-in on paper without going into the tournament office and report to your assigned lane. A printed waiver has to be signed before the start of the tournament. Every other pair will be used with a maximum of four bowlers per pair which gives that group room to social distance. Three games will be bowled on the starting pair then two games will be bowled on an adjacent pair which was not used. This is a change to the rule of bowling games on different pairs across the center. Moving pairs would require the center to clean the entire settee in between games which would have a negative impact upon the time frame and groups stay together in a “pod” for qualifying.

**CENTER CAPACITY and SOCIAL DISTANCING:** Saturday NEBA will have 40 of the 52 lanes with open play allowed. Sunday NEBA has the entire center from 8AM-3PM with no public allowed to enter the center. Bowlers who made the cut on Saturday can enter anytime on Sunday. Bowlers on either squad Sunday can enter the building anytime on Sunday. No spectators are allowed except for one parent or one person which a bowler is guardian. Spectators are not allowed in the bowling settee area. Spectators can sit at the tables behind the pair or stand on the concourse.

**REENTRIES:** Reentries will be taken if there are spots available. The reentry list will be used to determine the order the spots are filled. You must sign up on the reentry list when you check-in to be offered a spot.

**FORMAT and PRIZE FUND:** 1 in 5 bowlers off each squad cash and advance to the eliminator style finals. The first round of the finals will cut to 16 for the second round regardless of the number of entries. Seniors (50-59), Super Seniors (60 & over) and women will be combined into one group and guaranteed to cash at a ratio of 1 in 6 entries over all squads. Those who make the eliminator finals are included in the cashing ratio then cash spots of \$120 will be paid. Monies won will be paid out using Cash App and Venmo.

**SPONSORS:** East Coast Sports Investors Open Presented by Turbo (Driven to Bowl)

**LIVESTREAM:** The last three rounds of the finals will be streamed by TechVision.

**PATTERN:** 7.06:1 ratio, 44' length. [HOF%20Silver%202020%207-1.pdf](#)

**NEBA 2020 SEASON AND AWARDS:** The NEBA season, as we are used to knowing it, will be suspended for 2020. No tournament for the remainder of the 2020 season will be for Bowler of the Year points or any other yearly statistics. Anyone who has paid full membership dues (excluding Guest and Non-Member dues) for the 2020 season will automatically have their membership extended for the 2021 season. Season long series (such as the BowlingSeriously.com Women's Cup and the Paul Forry Memorial Challenge) will not take place, and NEBA will work on running them during the 2021 season. NEBA will attempt to run tournaments for the remainder of the 2020 calendar season, but will be making those decisions on a tournament by tournament basis depending on what the current social distancing guidelines are for the host center, and communication will be sent out regarding the tournament's status.
