		<i>Seeding by qualifying score</i>

181-216	48	1 st round – qualifiers 1-16
		Seeding by qualifying score in 2 nd round
217-252	56	1 st round – qualifiers 1-8
		Seeding by qualifying score in 2 nd round
253 or more	64	None
		Seeding by qualifying score

In the event that there are more guaranteed spots to match play than allotted by the current qualifier's table above, then all guaranteed spots, plus one spot off of the at large will make match-play. The first round will be an eliminator round, with the top scores advancing to the next round. The number of top scores will follow the standard NEBA match play round to determine how many bowlers advance. Entering the second round, bowlers will be reseeded based on NEBA's current seeding rules. Any ties for spots will be broken by standard NEBA tie breaker rules for the current round.

For every senior, super senior and woman who advances to match play via the senior, super senior or women's cut, a cash spot will be added. The cash spot will be \$120 for a standard tournament and \$80 for a low entry fee tournament.

Squad Cut (1:5 ratio)

One of five (5) participants in each squad will qualify for the match play finals.

Senior, Super Senior & Women's Cut

One in six senior (age 50 and over) participants across all squads will qualify for the match play finals with a minimum of one (1) in singles tournaments.

One in six super senior (age 60 and over) participants across all squads will qualify for the match play finals. If there are not six super senior entries, the bowlers will be moved into the senior cut.

One in six women participants across all squads will qualify for the match play finals. If there are not six women entries, the bowlers will be moved into the regular division. *If a woman is also a super/senior, said bowler will be considered a woman first. If there are 6+ total women entries, said bowler will be grouped with the other women. If there are 5 or less total women entries, said bowler will be group with the seniors.*

One \$50 cash spot will be paid to the woman or senior participant with the highest qualifying score that did not qualify for the match play finals.

If a senior, super senior or woman advances to match play via the senior, super senior or women's cut instead of the squad or at-large cut, they will receive 5 points instead of position points in the standings toward bowler of the year. Position points will be given for the appropriate side cut division in which they made match play (example: a woman makes it via the women's cut and wins, she gets 72 points for Women of the Year and only 5 points for BoY)

For every senior, super senior and woman who advances to match play via the senior, super senior or women's cut, a cash spot will be added. The cash spot will be \$120 for a standard tournament and \$80 for a low entry fee tournament.

Ties During Qualifying

All ties for squad cuts will advance to match play. Ties for overall cuts (At-large cuts) will be a one game roll-off. If the roll-off results in a tie, a one ball sudden death settles the tie. Bowlers will start on the lanes they finished for all sudden death rounds. Bowlers swap lanes until the tie is broken using the best ball format.

For roll-offs for overall cuts, each participant receives three balls practice on each lane. The bowler with the highest game in qualifying has the choice of starting lanes. Any bowler who is eliminated from the last qualifying position by a roll-off shall receive a sponsor's prize, if applicable, or a paid entry into a subsequent regular entry fee tournament, which must be used within two months.

In the event of a tie for a seeded position, including a bye, the participant with the highest single game rolled in qualifying will be the winner.

Match Play Finals

Upon completion of qualifying squads, qualifying spots up to the number specified above will be filled by qualifying score by participants that did not qualify via a squad cut. Qualifiers shall enter into one (1) game elimination matches with the highest total pinfall determining the winner. The tournament director will assign pairs. The bowler with the highest qualifying block has a choice of lanes on each pair.

The bowler on the left lane shall bowl one (1) frame first. The bowler on the right shall bowl two (2) consecutive frames. Both bowlers shall then continue bowling two (2) frames at a time, alternating turns, until the game is completed. This procedure shall prevail for all matches bowled in the finals.

In the event of a tie in match play, a two (2) frame (9th and 10th frame) roll-off shall be held with the highest total pinfall for the two frames determining the winner. The higher seed has the choice of starting lane. If the tie-breaker results in a tie, a best ball format will be used with each bowler throwing one ball. Each bowler starts on the lane they completed their last tenth frame. Bowlers swap lanes until the tie is broken using the best ball format.

Final Standings

The final standings shall be determined, from highest to lowest, in the order of the losers' total pinfall for the match just completed. In the event of a tie for any position other than 1st, the prize money shall be divided equally.

Distribution of Tournament Prize Fund

The prize fund shall be returned 100% and shall be based on tournament participation, the total number of entries and re-entries, with a minimum of a 1 in 4.5 cashing ratio. The amount of the last paying position shall be no less than 1.25 times the entry fee.

In the event of more than 293 entries, cash only positions shall be paid starting with qualifying position 65. Multiple cashing positions are allowed, but only the highest position shall be used for Bowler of the Year, Rookie of the Year, and Senior Bowler of the Year points.

An appropriate cash award, trophy, and champions shirt shall be presented to the champion in conformance with USBC requirements. A free entry into the next NEBA Tournament of Champions shall be presented to the champion. *For multiple champions within a year, cash shall be paid instead of the entry into the Tournament of Champions starting with the 2nd championship.*

OTHER TOURNAMENT FORMATS

Doubles

The format for a NEBA doubles tournament shall be the same as the singles format, except for the following:

- a. Entries are two person teams. Each person pays the current entry fee.
- b. *For regular doubles tournaments*, only one previous NEBA champion is permitted per team unless the person has not won a NEBA, PBA or PWBA title within the last ten(10) years. *For over/under 50 doubles tournaments*, only one previous NEBA champion is permitted per team unless the person has not won a NEBA, PBA or PWBA title within the last *five(5) years*. PBA and PWBA titles apply to regional or national champions whether won as a member of non-member.
- c. When there are two tournaments on the same weekend, the rule in section b does not apply to Saturday champions. A non-champion who wins on Saturday may still bowl with a champion for the rest of the weekend.
- d. Re-entries with the same partner are permitted. Bowlers are allowed to switch partners provided both bowlers agree to void previous scores. Both bowlers must state this to the Tournament Director. A doubles team that splits up forfeits their spot on the re-entry list.

- e. All participants shall bowl five (5) games of qualifying across a prescribed number of lanes as determined by the Tournament Director. Total pinfall for each team is used for qualifying and match play.
- f. During the season, one doubles tournament will use baker type scoring for match play.
- g. Doubles teams may defend their title one time. The team that won the baker tournament defends their title at the next baker tournament and the team that won the regular format tournament defends their title at the next regular format doubles tournament.
- h. In baker doubles, a team not following the rule for order of bowling will be subject to the following penalties. If the error was found within the first two frames, the team gets a zero for each frame out of order and play continues in the correct order. If it was found after the second frame, the match is forfeited

Tournament of Champions

The format for a NEBA Tournament of Champions singles tournament shall be the same as the singles format except that the minimum number of qualifiers shall be sixteen (16) and two (2) game matches shall be used during match play.

Special Tournaments

The board will vote on the format of special tournaments.

RULES OF TOURNAMENT BOWLING

Squad Times

The Tournament Director shall schedule qualifying squads with the approval of the Board.

Entries

All entries shall be assigned in the order of their receipt. Entries close fifteen (15) minutes prior to the last qualifying squad.

Re-Entries

Tournament re-entries shall be allowed for all participants. Those that have qualified via a squad cut may re-enter but their score doesn't affect the squad cut. A guaranteed reentry is last on the re-entry list and may not bowl if another entry is turned away.

The Tournament Director shall maintain a re-entry list to insure re-entries are handled fairly. Re-entries are taken on a first come, first served basis, until the squad is full, with first time re-entries having precedence over second time re-entries. Re-entering bowlers are allowed to sign in when the Tournament Director announces that re-entries are being accepted.

Squad Reservations

Reservations can be made for a particular squad using a sign up sheet at the previous tournament, by phone or on the NEBA on-line reservation system at www.BowlNEBA.com. The Board requests that no reservations be made after 10 PM

on the Friday preceding a tournament. The “35 Mile Rule” must be observed when making a reservation.

Bowlers who fail to claim their reservations without giving notice to the Tournament Director or the *NEBA Manager* before the squad starts shall be subject to a fine of not more than \$10.

The Tournament Director reserves the right to reassign reservations for any bowler who does not report and pay the entry fee at least fifteen (15) minutes prior to their scheduled qualifying squad time.

Squad Sign In

All participants are required to report to the Tournament Director at least thirty (30) minutes prior to their scheduled qualifying squad time with their NEBA shirt. Failure to do so shall subject the member to a fine of not more than \$10. It is the responsibility of each participant to verify their entry and to find their lane assignment. Fines may be enforced for incorrect or incomplete score sheets.

The “35 Mile” Rule

Entries into the last qualifying squad shall be handled in the following order:

- a. Any Board member attending a Board meeting prior to the squad
- b. First time participants residing outside a 35 mile radius from the tournament site
- c. New members that joined at the tournament site
- d. First time re-entries
- e. Second time re-entries
- f. Members residing within the 35 mile radius
- g. Non-members
- h. Guests
- i. Bowlers with a guaranteed spot in match play on a previous squad

Practice Prior to and After Tournament Play

Once lanes are oiled for the tournament, the only bowling allowed in the center is on lanes which have not been oiled with the tournament pattern. Bowlers shall not be allowed to practice on any lanes that have been conditioned with the tournament shot before or after a squad.

Practice Balls

For all qualifying squads, allow three minutes per bowler of open practice prior to the first game each qualifying squad. This is 9 minutes when 3 on a pair, 12 when 4 on a pair and 15 when 5 on a pair. For subsequent games, no practice balls shall be allowed.

- Prior to a match during the finals, the bowlers on a lane pair shall be allowed either:
- a. Ten (10) minutes of practice for singles and fifteen (15) in doubles the first round, or
 - b. Five (5) minutes of practice in match play if either bowler or team is entering competition from a bye, or
 - c. Two (2) practice balls per lane.

Number of Bowlers per Pair of Lanes

The Tournament Director shall determine the number of bowlers assigned to a pair of lanes based upon squad size and lane availability. There shall be no more than five (5) bowlers assigned to a pair of lanes except for a special circumstance agreed upon by the board.

Lane Courtesy

Two lane courtesy shall be observed. Bowlers shall make a delivery without an intervening delivery from one of the lanes adjacent to the specific lane. The bowler on the right should bowl if both reach the approach at the same time.

Number of Re-Racks Allowed

During tournament qualifying, bowlers shall be allowed two re-racks per game. No exceptions shall be granted. During the match play finals, bowlers shall be allowed two re-racks per game unless given permission for additional re-racks by the Tournament Director. Failure to adhere to these rules shall subject the bowler to a penalty of zero for the frame.

Notification of Dispute or Protest

In the event of a dispute or protest during tournament play, the game shall cease and the Tournament Director shall be notified immediately. Claims for disputes or protests shall not be allowed if the participants involved continue bowling without such notification. No unreasonable delay shall be permitted while the tournament is in progress.

Mechanical Breakdowns

In the event of a mechanical breakdown, a game shall start or continue on an alternate pair of lanes designated by the Tournament Director. In the event a special ruling is required, the Tournament Director shall make all decisions regarding such matters.

Score Sheets and Verification

All qualifying score sheets must be completed as follows:

- a. Each qualifying game and the associated plus/minus filled in and initialed by the bowler to verify the game score.
- b. Qualifying totals and the associated plus/minus filled in and signed by the bowler to verify the total score.
- c. Qualifying totals cosigned by another bowler assigned to the same pair of lanes to verify the total score.

Incomplete score sheets shall subject the bowler to a fine of \$10 per offense. Errors in scoring that have a direct bearing on the results of that tournament (qualifiers) shall carry a fine of not more than \$10 plus disqualification, forfeiture, and return of all awards won for that tournament.

In the event of a disqualification, each bowler below the disqualified bowler shall move up one place in the standings.

Scoring Errors

Errors in scoring must be reported to the Tournament Director within thirty (30) minutes after completion of the squad in which such errors occurred, or before the start of the match play finals. The Tournament Director disclaims all responsibility for errors unless this rule is strictly adhered to.

Alternates

Bowlers who fail to qualify for the finals shall be designated as alternates, in the order in which they finished in the qualifying rounds. Should a finalist fail to appear at the finals roll call, the alternate present with the next highest qualifying score shall participate in the match play finals. When a senior/women misses roll call, *the spot goes to the 1st alternate in that special cut. If the first alternate isn't there, then spot goes to at large.*

Match Play Finals Roll Call

Bowlers who have qualified for the finals must report to the Tournament Director when the call for the finals has been announced. Failure to report shall result in the replacement of the absent bowler with the alternate who has the next highest qualifying score.

Oil Patterns

Oil patterns will be announced at least seven days in advance. The type of pattern, ratio and distance will be provided. If the pattern has an official name, the name will be provided. When the center has the capability to provide a printout of the lane graph, it will be posted on BowlNEBA.com and Facebook. NEBA isn't responsible if there is an error in putting down the pattern.

There will be an effort to provide a variety of shots including "standard", "challenge" and "sport" shots.

The Tournament of Champions will be hold on a sport compliant shot and the event will be certified as a sport shot tournament. It can be any sport pattern with the collaboration between the center and tournament director.

The Invitational will be a challenge pattern designed by Kegel. Kegel will design three pattern of different lengths. Each year, the pattern will be randomly drawn by the tournament director.

Oiling

Lanes will oiled before the first squad each day. Lanes will be re-oiled before match play in tournaments providing the center is able to do it. All match play and practice pairs for byes will be re-oiled.

Sponsors

All members who find a sponsor for NEBA are entitled to receive compensation of 10% of the sponsorship in NEBA entry free credit.
